

# Year 3 - Ancient Egypt

## What I am learning & why?

The Ancient Egyptian civilisation is fascinating and mysterious to us as they left so much behind that we are still finding out about.

There are two parts:

Design and create a mask of an Ancient Egyptian God, pharaoh or sphinx. Your mask will need to include:

card

crayons

paint

glue

Children must write at least one paragraph about who their mask is of and why they were important in Egyptian times. Can you include any other information about the wearer of the mask?

## What I am learning & why?

This project investigates life in Ancient Egypt, to help build an understanding of chronology and the impact of different cultures and beliefs.

## Resources I will need:

Information of my chosen topic (books from the library, internet).

## Questions to think about:

What are some of the important things about Ancient Egypt?

Who was important in Ancient Egyptian times?

How will I make my mask eye-catching (attract an audience)?

How am I going to transfer this information into my own words?

## Skills I will use:

Planning

Research

Writing in my own words

Design

## How an adult can help me?

\*Helping research different Ancient Egyptian topics on the internet or local library.

\*Looking at different mask designs.
