

Year 1 - All About Me

What I need to do:

To create an 'All about me box'...

- 1) Choose a shoe box, or decorative box, decorate it
 - 2) Include items that reflect who you are
 - 3) Photos or drawings of your favourite things
- Remember to be creative!

Skills I will use:

- Researching
- Planning
- Writing
- Drawing and colouring

What I am learning & why?

For this home learning project, children will have the chance to share a little bit about themselves. This will help them to learn about themselves and about each other. The children will find that they have many things in common, and we will celebrate our similarities and our differences.

Resources I will need:

- Paper, pencils and crayons.
- Personal items, pictures, objects that reflect who you are.

Questions to think about:

- What is my favourite colour?
- What is my favourite toy?
- What is my favourite book?
- What do I like to do for fun?
- Who do I like to play with?
- What is my favourite food?

How an adult can help me?

Adults can help me to create, design and choose items to put into the box.
