## Equality Policy

### Introduction

#### **Statement and Principles**

The statement outlines the commitment of the staff and Governors to promote equality. This involves tackling the barriers which could lead to unequal outcomes so that there is equality of access and the diversity within the school community is celebrated and valued.

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth. At Woods Loke Primary School, equality is a key principle for treating all people the same irrespective of their gender, ethnicity, disability, religious beliefs/faith tradition, sexual orientation, age or any other of the protected characteristics (Equalities Act 2010). This also extends to students affected by home circumstances, eg. Young Carers.

This statement has been drawn up as a result of consultation with all staff, students, parents, stakeholders and Governors and has been shared with the whole school community.

#### **Monitoring and Review**

The Headteacher and Governors are responsible for coordinating the monitoring and evaluation.

They will be responsible for:-

- Providing updates on equalities legislation and the schools responsibilities in this regard
- Supporting positively the evaluation activities that monitor the impact and success of the statement on students from different groups, eg SEND, Children in Care, Minority Ethnic including Traveller and EAL students and Free School Meals, in the following recommended areas:
